Each NEMO rifle is hand built by a single technician, test fired, cleaned, and inspected for lasting quality. Our in house machine shop meticulously manufactures each barrel to our specifications. Partnering with the most respected barrel blank manufacturer in the industry, NEMO sets itself apart as the only Semi-Automatic firearms company to use Bartlein barrel blanks. We are dedicated to providing the most innovative rifles that will last for generations to come.
DAKKAR SHORT ACTION
SKU: DKR-SA65CM-22R

Caliber
6.5 Creedmoor

Barrel Length
22 in

Rifle Length
32 in folded; 45 in extended

Weight
10 lb

Foldable Stock
either left or right with tight lock up

Two-Stage Trigger
adjustable pull & over travel w/o disassembly

2 Lug Action
60° throw - AR style extractor plunger ejector side bolt release

Tool-less Barrel Change System
22" 6.5CM Barrel; 1:8 Twist; Match Grade; 5/8-24 Thread

Light Weight Components
corrosion resistant coatings

Ambidextrous Ergonomics
safety, mag release, grip panels

Tool-less Length Adjustment
recoil pad height & cant

Ergonomic Bolt Knob

DAKKAR SHORT ACTION
SKU: DKR-SA308-20R

Caliber
.308 Winchester

Barrel Length
20 in

Rifle Length
30 in folded; 43 in extended

Weight
10 lb

Foldable Stock
either left or right with tight lock up

Two-Stage Trigger
adjustable pull & over travel w/o disassembly

2 Lug Action
60° throw - AR style extractor plunger ejector side bolt release

Tool-less Barrel Change System
22" .308 Barrel; 1:9 Twist; Match Grade; 5/8-24 Thread

Light Weight Components
corrosion resistant coatings

Ambidextrous Ergonomics
safety, mag release, grip panels

Tool-less Length Adjustment
recoil pad height & cant

**Coyote-DT**
- SKU: S-300-DT
- Coyote-DT for 300 WIN MAG comes with a built-in patented retention system to keep the suppressor from backing off during operation.
- Packing includes the following: (1) 300 WIN MAG suppressor.
- For barrels: 16” minimum length 300 WIN MAG.

**Predator-DT**
- SKU: S-6.5-DT
- Predator-DT for 6.5 Creedmoor comes with a built-in patented retention system to keep the suppressor from backing off during operation.
- Packing includes the following: (1) 6.5 Creedmoor suppressor.
- For barrels: 18” minimum length 6.5 Creedmoor.

**Scout-DT**
- SKU: S-762-FA-QD
- Scout-DT for 7.62mm NATO comes with a built-in patented retention system to keep the suppressor from backing off during operation and mounts via direct connect 5/8 - 24 2B threads.
- Packing includes the following: (1) 7.62mm suppressor.
- For barrels: 10.5” minimum length 7.62 NATO, 10.5” or longer 5.56mm NATO, 10.5” or longer 6.8 SPC, 8” or longer 7.62 x 39, 7.5” or longer 300BLK.

**Elite-FA-QD**
- SKU: S-5.56-FA-QD
- The heavy-duty Elite-FA-QD for 5.56mm NATO is rated for full-auto fire and mounts with a Bi-Lock quick disconnect flash hider with standard 1/2 - 28 - 2B threads.
- Packing includes the following: (1) 5.56mm suppressor. (5) 1/2 - 28 - 2B quick attach flash hider (others available upon request).
- For barrels: 10.5” minimum length 5.56 NATO/223.
**Operator-HD-QD  5.56mm NATO**

SKU: S-5.56-HD-QD

The heavy-duty Operator-HD-QD for 5.56mm NATO comes with a removable core for cleaning and servicing as needed and mounts with an 8-Lox quick disconnect flash hider with standard 1/2 - 28 - 2B threads.

Packing includes the following: (1) 5.56mm suppressor, (1) servicing tool for removable core, (1) 1/2-28 flash hider.

Precision components make up the core of our rifles. Individually, these components stand out as a trusted choice for your custom build. Titanium muzzle devices, lightened receiver sets, and precision manufactured barrels represent a small sample of the ever expanding line of quality NEMO components and accessories for your next project.
COMPONENTS & ACCESSORIES

**XO Large Frame Receiver Set**

- SKU: XO-308-RS
- Weight: 22.4 oz
- Features:
  - CNC machined billet 7075-T6 aluminum construction
  - Lightweight design
  - Full ambidextrous control
  - Tensioning screw for an assured tight fit

**BATTLE-LIGHT Small Frame Receiver Set**

- SKU: BL-556-RS
- Weight: 15.5 oz
- Features:
  - T7075-T6 Billet aluminum construction
  - Lightweight design
  - Full ambidextrous control
  - Screw in bolt catch retention pin - included -
  - M4 feed ramps machined into upper

**Takedown Pins Large Frame AR**

- SKU: XO-308-TDP
- Weight: 4 oz
- Length: 2.78 in
- Features:
  - Made from SAK-41 titanium
  - Bead blasted for a matte finish

**Takedown Pins Small Frame AR**

- SKU: BL-556-TDP
- Weight: 2 oz
- Length: 2.68 in
- Features:
  - Made from SAK-41 titanium
  - Bead blasted for a matte finish
### Steel Barrels

Built for accuracy and longevity, NEMO barrels start from premium blanks and are turned, chambered, and threaded in house.

### Handguards

The wide construction of the NEMO handguard provides superior heat shielding, as well as the ability to accommodate custom builds with suppressors.

Large inner diameter accommodates many under guard suppressors (1.83 in)

Integrated rail at 12 o'clock with engraved T-marks

Stainless steel fasteners and retainers ensure corrosion resistance

COMPONENTS & ACCESSORIES

Nemo’s patented bolt carrier and buffer system has never been offered in a builder’s kit until now. The same quality components, high-envd coatings, and innovative recoil reduction technology that are used in NEMO’s OMEN and XO model lineup are now available in a kit for your large frame AR. The technology in the bolt carrier group reduces bolt speeds and felt recoil when the recoiling mass bottoms out in the buffer tube.

Large Frame Bolt Carrier Group Buffer Kit

SKU: KD-308-FR-BCG-K
BCG Weight: 11.7 oz

Bolt Carrier Group
Carrier - case hardened 8620 steel, nickel boron coated
Bolt - case hardened 9310 steel, nickel boron coated
Firing Pin - hard chrome plated and ground
Gas Key - nickel boron coated, staked, 4130 steel
Includes cam pin, extractor with spring, rubber insert, and o-ring support

223/5.56
SKU: BL-556-BCG
Weight: 11.7 oz

224 Valkyrie
SKU: BL-224V-BCG
Weight: 11.7 oz

308 Win Kit
SKU: KD-308-FR-BCG-K
BCG Weight: 11.7 oz
Titanium DC-1
Muzzle Break

Custom Carbine Buffer Spring
.308 Blackout
SKU: 300BLK-B
- NEMO Arms has engineered a custom carbine buffer spring for carbine length gas systems or troublesome .308 Blackouts that are undergassed. This spring was designed around a rifle with a 16” barrel and a carbine gas system.

Bipod
Aluminum Alloy
SKU: OMN-LC10
- The NEMO Bolt Action Bipod with the quick detach was designed, engineered, and manufactured in the USA. This smaller bipod is convenient for a more grounded shot. The BR-A is 100% billet, made from the highest quality aircraft aluminum available.

10 or 14-Round Magazine
OMEN .300 WIN MAG
SKU: OMN-LC10-2 (10) | OMN-LC10-1 (14)
- This rugged polymer magazine was engineered from the ground up based on belted magnums. The magazine features an anti-tilt follower, 14 round capacity, stainless steel spring. Magazine disassembles easily for cleaning.

Vice Block
.OMEN Upper Receiver
SKU: OMN-UI63-6C
- You can service your OMEN/308/AR-15 with our multi-caliber upper receiver vice block. It is a great tool to mount to your scope or clean your barrel and upper.

NEMO arms was founded in 2011 as a firearms company with a passion for innovation. In 2012, NEMO Arms turned the industry upside down with the release of the world’s first viable .300 Win Mag AR pattern rifle. NEMO arms continues to expand and innovate, with recoil reduction systems, sound suppression, and cutting edge accuracy.

Quick Facts
- Extensive industry experience
- Strong reputation with Law Enforcement
- Utilizing fully integrated manufacturing facility
- Proven track record for innovation
- Three current patents
- Utilizing manufacturers only ISO 9001 Certified

Current Patents
9,103,811 – Aug. 8, 2016: 82 Compressible Bolt Carrier Extension System
10,330,022 B2 – June. 26, 2019: Suppressor Assembly
